

Top five reasons to work with Unify

We know you have choices. Here's why you should choose us.

1 Work with a global market leader

- #2 Global IP PBX market share; #1 in Europe LME*
- Over 1 million customers across 60 countries
- Ranked market 'Leader' by top industry analysts such as Gartner
- Trusted by approximately 75% of the Fortune 500

Wherever you are, we are.

2 Get the gain without the pain

- Deploy in the way that works for you
- In the cloud, in your data center, on premise, or hybrid
- At your pace, on your budget
- No forced "rip-and-replace"

We know it's not a 'one size fits all' world.

3 We make it work, and keep it that way

- Global communications services capability in all regions
- 24/7 single point of contact support available
- Managed Services, Professional Services, Maintenance and Support Services

Leverage our breadth, depth, scope and scale.

4 We provide a better way to work

Introducing Circuit. Circuit lets you share knowledge and ideas as naturally when you are apart as when you are together. It provides virtual teams and 'anywhere workers' with high quality voice, HD video, screen share, rich formatted messaging, and file sharing in a single platform with a single view.

"... the Circuit user experience is a great example of how enterprise communications should work and how we as users want it to work ... it redefines how I want to interact, communicate and collaborate as part of daily work."

5 Don't just take our word for it

- Over 5,100 issued and pending patents for innovation
- Leader in Gartner's Magic Quadrant for 2014
- Leader in Forrester Wave for UC 2014
- Top rating in Enterprise Connect RFP Capabilities Score 2015

"Unify's ability to deliver industry solutions today and the promise of engaging, socially connected, communications enabled collaboration experiences in the near future moves it into the Leaders quadrant."
