

## You choose the style that works for you.

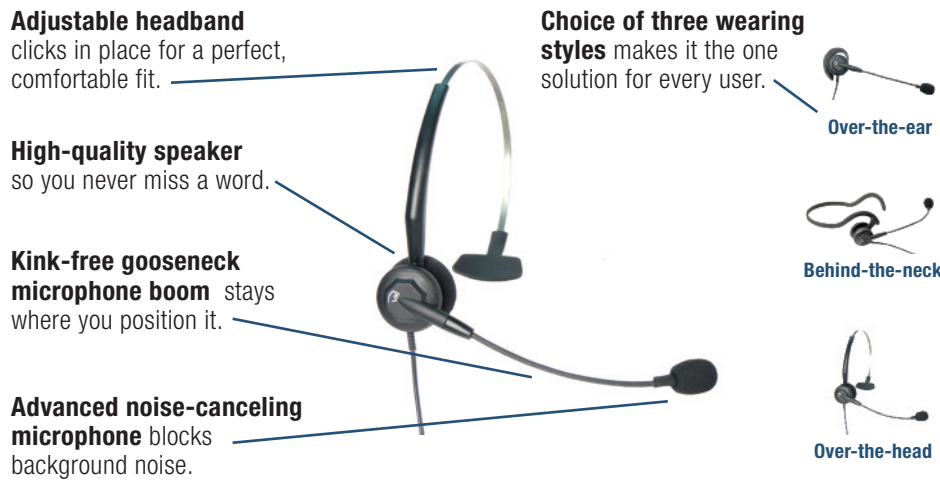

The VXi Tria's choice of wearing styles makes it easy for buyers and supervisors, and perfect for any user preference. But convertibility is only the beginning. Like all VXi headsets, Tria delivers dependable, professional-grade communications on both ends of the call. And though they're all-day comfortable and lightweight, Tria headsets are also durably constructed, ready to handle day-after-day use in contact centers and office environments.

### Benefits

- Choose the wearing style you prefer.
- Be heard clearly with the industry's best noise canceling—guaranteed.
- Wear all day in lightweight comfort.
- Use day after day, thanks to real-world durability.
- Stay focused, with its stable, custom fit.
- Maximize your equipment investment. Available with VXi, Plantronics® or GN Netcom®/Jabra®-style quick disconnects.

Tria gives you choice, comfort and consistent communications.

**Adjustable headband**  
clicks in place for a perfect, comfortable fit.

**High-quality speaker**  
so you never miss a word.

**Kink-free gooseneck microphone boom** stays where you position it.

**Advanced noise-canceling microphone** blocks background noise.

**Choice of three wearing styles** makes it the one solution for every user.

Over-the-ear

Behind-the-neck

Over-the-head

## Product Highlights

- Three wearing styles give users a choice of custom-fit options.
- Advanced noise canceling improves communication by cutting nearly 90% of background noise.
- Flexible microphone boom stays where you put it for optimal sound quality.
- High quality speaker for clear and consistent communications.
- Compatible with VXi, Plantronics® or GN Netcom®/Jabra® amplifiers and direct-connect cords.
- Two-year warranty.
